Enjoy the amenities of living in a planned community with this 2000+ sq ft duplex in Blossom Hill. The home features 2 bedrooms, including a first floor primary bedroom with en suite bathroom; an open floor plan eat-in kitchen- family room and sunroom; a separate dining room and an enclosed porch. The upstairs features a bedroom, full bath and loft that would be great as a home office or a hobby space. On the main floor the dining room and family room areas feature hardwood floors and a gas fireplace with the family room boasting a vaulted ceiling with recessed lighting. The kitchen includes an eat-in area and a small island, bump out bay, recessed lighting, tons of cabinet space and a pantry, with the first floor laundry nearby. The enclosed porch has custom window treatments and opens out to the fenced -in backyard with a separate shed for garden tools. The privacy of this .29 acre lot is unsurpassed in Blossom Hill with woods and field to the rear and side- **no houses will be built behind this home**. The full basement is untouched space that could be finished to additional living area and includes an egress window as required by code. **The house was built in 2009 and has just had the roof replaced in June 2025**. Other mechanical features include a natural gas, forced air furnace, central AC, a passive radon system, maniblock plumbing system, poured foundation walls, energy efficient windows and much more. **The HOA fee includes some lawn care and trash removal**. Consider making your life easier with a move-in ready home at Blossom Hill! Call for a personal tour before it's too late! [Show less](#)
